

BUILD IT THE STADLER WAY

PRECISION CONSTRUCTION. SEAMLESS EXECUTION.
ARCHITECT-APPROVED.

Partnering with Architects Across Fairfield & New Haven Counties

ABOUT MICHAEL STADLER CONSTRUCTION LLC

Located in Norwalk, CT, Michael Stadler Construction LLC is a licensed General Contractor with over 20 years of experience managing high-end residential and commercial builds—many in collaboration with design-led architects.

Our 20+ person in-house team keeps projects moving, trades aligned, and architects protected from jobsite chaos.

Full-Scope Project Execution—Without the Noise

Demolition - Residential & Commercial
Renovation, Remodeling & Builds
Ground-Up Construction
Excavation & Site Work
Permit & Project Management

WHY ARCHITECTS CHOOSE US

Design Integrity – We build what's drawn. No edits, no ego.

Detailed Cost Proposals – Our bids match your drawings. No surprises, ever.

In-House Team Control – 20+ accountable team—not a jigsaw of random subs.

Clear Communication – Architect updates aren't optional, they're standard.

Site Ownership – Permits. Trades. Timelines. We own it like it's ours.
